MISS SARA DAVIDSON

DEDICATION

Because during the years in which she sponsored our class, we found in her those qualities of person and mind to be treasured in a rare friend—gentleness of manner, sincerity of speech, keenness of intellect, an understanding heart—we dedicate this twenty-first volume of the

to

MISS SARA DAVIDSON

FOREWORD

There is perhaps no greater lure in the world than that of the sea. Ever old, yet ever new, she has captured and held fast the imagination of man—from the ancient dragon-prowed ship to the modern ocean liner. We have chosen the Romance of the Sea as our theme for two reasons: First, because we believe in the magic of romance; and as long as there is a sea and a ship to sail on it, we shall do so. Second, because we hope that, in the years to come, just as the picture of a ship recalls the flying spray to the old sailor, so will a glance through these pages recall our years at Forest—where we worked together, played together, laughed together, cried together in the magic of our High School Days. Now with sails high flung, we launch our ships on the seven seas for distant ports. Bon Voyage!

TO FOREST

Proud in mighty strength you stand,
A magnificent symbol of beauty,
A masterpiece of heart and hand,
And twenty-one years of duty.

Though your proud, majestic walls
Should turn to mold and dust,
Your memory forever to us recalls
Our love, honor, and trust.

WYLIE A. PARKER
Principal

A friend to every student, from freshman to senior, is our able principal, Wylie A. Parker. He does not confine his interests to Forest Avenue High School, for he is known throughout Texas as an authority on things concerning this state. Mr. Parker — principal, Texas Ranger, author, teacher, and friend—we are fortunate in having him at the head of our school.

TRUE VALUES OF LIFE

The values of life that are priceless are also eternal and brighten with use, for man, the masterpiece of creation, is made in the image and likeness of his Creator. Man has the freedom of choice, though, in the emphasis he places on these values. If he chooses to develop only his qualities of physique, he may become a savage. If he develops only his mental nature, he may become a nervous tyrant. If he develops only his spiritual talents, he may become a detestable fanatic. On the other hand, if man chooses to align himself with his Maker by a personal experience of grace in his heart and walks daily in His way, he can glorify his existence by the unfolding of his mind, the strengthening of his body, the enrichment of his ideals, and the ennoblement of his soul. May your development be symmetrical, my young friends.

The test of a man is pain, just as the test of gold is fire, and he is constantly questioned and challenged about the worth of his achievements. The seed he sows must be tested to prove its power of germination; the food he eats must be inspected to assure its purity; every chemical process he uses must be analyzed to justify its excellence; every piece of engineering he constructs must be tried to prove its safety; and his own ability must be put to the test to justify his existence in whatever station in life he finds himself. May your achievements meet the tests of life, my dear friends.

We frequently hear people discuss the worth of a certain man in the community. Some judge his worth by the size of his bank account; some by the clothes he wears; others by the house in which he lives; and still others by the family to which he belongs. People who think straight, however, judge a man's worth by the eternal values of his life: by the fortitude and courage with which he faces life, by the love he shows for his fellow men, by his behavior in the face of the knocks of this world, and by the unsullied victory of his soul as he overcomes temptation. A building may be ever so beautiful, but its value is not in its beauty. It is valued by the solidity of its foundation, by the permanence of its materials, and by the strength of its joints. A man may develop a powerful body as the temple of his ideals, but the true test of his worth lies in the honorable life he lives and in the nobility of his character. What, may I ask, are you worth, my young friends?

Much in this life which seems valuable is but an empty bubble, and much that is counted worthless by man proves to be a blessing to him who sees with an understanding heart. He who understands accepts the thorns with the roses, and adjusts himself readily to the disappointments of life. The man who understands appreciates the simple pleasures of this world and enjoys with grateful acknowledgment the countless blessings to which mankind is heir—the flowers which bud and blossom, the leaves which fade from one lovely color to another, the gentle breezes which fan us in the springtime, the pure white snow which gladdens our hearts in wintertime, the gorgeous landscapes which nature so generously bestows, and the countless other gifts which heaven drops at our door. May you have the understanding eye and the grateful heart.

May you accept only true values in life. May your life be free from all deceit and dishonesty. The respect of loved ones, the friendship of friends of God, the companionship of children, the peace of a life well lived, and the goal of accomplishment honestly won—these are true values, and he who fills his life with these priceless values is of sterling worth, though he may live with the simple and toil with the humble. Make your word as good as your bond, disdain any act which might stain your honor, scorn a lie, and never covet the property of another. Hold sacred the confidence reposed in you, betray neither friend nor foe, live up to the terms of every agreement, and consider that bargain unfair by which one person takes advantage of another.

May your faith in God be deep, yet simple and childlike. May you ever have a profound love for the members of your family and a desire to provide for them every moment of your life. May you always be willing to help the needy, give a word of comfort to the lonely, recognize and assist the wayward, forget the failings of your associates and commend them for their good points, be strong in the hour of affliction, smile when your heart is bursting with sorrow, forgive when you are injured, and look up when things go wrong. May you be the kind of worker who chisels a stone from the quarry, fashions it, finishes it, sets it in the wall, and feels that he is now a part of the building in which that stone is embedded. May your sense of humor teach you to rejoice, and your strength of character forbid you to mourn unduly. In the face of trouble may you smile, in the face of failure may you work, and in the face of discouragement may you persevere. These are true values of life.

—WYLIE A. PARKER.

MISS RACHEL FOOTE
Dean

"One ship sails east
And another sails west,
With the self-same winds that blow.
'Tis the set of the sail
And not the gale
Which tells the way to go."

Miss Foote has been most faithful in "setting our sails," and we are grateful to her for it.

OUR FACULTY

The principal, Mr. Parker, is first;
For knowledge of Texas he does thirst.
Miss Foote, our dean, is next in line,
And her ruling is true and fine.
Our senior counselor, dear Miss Rowe,
The seeds of good English she does sow.
The rest of the teachers we class highly—
Among these a new one, Mr. Wiley.
In 101 is Mrs. Hardy,
Who doesn't like it if you're tardy.
Miss Hyman and Mrs. Blumenthal
Keep order in study hall.
In colors our teachers go to town—
Miss Black, Mr. White, and Mrs. Brown.
Our librarian, Miss Donohue,
On books can be outdone by few.
We all know our own Miss Andrews;
The hardest math problems she pursues.
Major Menezes, our head in military,
Makes a man of every Tom, Dick, and Harry.
Both Miss Harlan and Miss Overbeck
In the office check and double-check.
Misses Clark, Hughes, and Melson teach
The very best forms in English speech.
A typing and shorthand teacher, Mrs. Hurst,
At 7:45 at school is one of the first.
Miss Shaw and Miss Segrist are
The best in gymnastics near and far.
Mr. Boulton, Miss McAlister, and Mr. Moore,
The realm of science do explore.
Mrs. Ardrey, Misses Masters and Miller
Foreign languages to teach prefer.
Misses Wickham and Davidson
In teaching Spanish find much fun.
Miss Mitchell and Mr. Griffith, teachers of art,
Their great talents to the pupils impart.
In mathematics is Miss Elder;
Just as good in English is Miss Felder.
Our senior sponsor, Mr. LaBorne,
With his large senior class will rarely be forlorn.
Bagley, Barham, Jackson, and Dial—
Teaching English to them is no trial.
Brewer, Hassell, Mangum, and Rosser teach in mathematics,
Put x-y-z in our heads, though our heads be like bricks.
Herzog, band; Wilcox, orchestra; and Holden, pianist,
Do their part in our school to assist.
Baker and Pritchett in commercial teach;
For good stenographers we give credit to each.
Miss Elizabeth Parker of Household Arts
Teaches the girls ways to win men's hearts.
Mr. Yates and Miss Durham in the FORESTER and ECHO,
The ways to be a good journalist do show.
A sweet, new teacher is Mrs. Pinckard,
For everyone she has a kind word.
Alas, dear readers, bear with me,
For on my head grey hairs you see,
If your favorite's name is not here, offended do not be
For rhymes do not grow on any ol' tree.

Sunrise

I saw the eastern horizon
Turn gold in the morning light;
It waked again, to greet the day—
Tired of the long, dark night.
The golden light on the pale-blue sky
Denotes a clear, bright day;
The sun comes from his hiding place
And drives all shadows away.
The world awakes when the sun comes up;
The sky takes a brighter hue;
The mist floats upward from the hills
And life begins anew.

—FLORA PURSER.

Sunset

Red, gold, and green the sky
From the sunset's mellow glow;
It sheds its soft and radiant gleam
On objects here below.

I can't express in simple words
How the picture looks to me,
It needs an artist, skilled by time,
To paint its novelty.

But never a common artist
Could paint a scene like this;
None but the one great Artist—
God, in His holy bliss.

—FLORA PURSER.

Clouds

The clouds overhead go floating by
In stately forms across the sky.
They seem to be like ships to me,
And sail upon an endless sea.

They float down low or stay up high,
And all about they fill the sky.
They look like down from small lambs' backs,
And where they go they leave no tracks.

They sometimes are like castles high
That lift their towers toward the sky,
Where gallant knights no longer fight—
There are no wrongs for them to right.

—D. A. HURST.

"I must forth again tomorrow!
With the sunset I must be
Hull down on the trail of rapture
In the wonder of the sea."

JUNE, '37—CLASS HISTORY

Last night after I had hit the hay,
I dreamed of memories of an earlier day.
I dreamed I was back in '33—
Entering Forest as a little I-B.

DREAM

We walked down the halls with our heads tilted high,
Looking for our rooms, which we passed right by.
The seniors got rich by taking our dough
For elevator tickets and such things, you know.
After a week of this the Freshmen were seen
To organize themselves; to elect a president—ERVIN GREEN.
We elected as sponsors MISSES CHRISTOPHER and BREWER,
And now our Freshmen mistakes grew fewer.
When we came out of our Freshman daze,
We elected CAROLYN STROHEKER president of the I-A's.
We kept our sponsors, as they proved quite true
In helping us along and pulling us through.

In '34 came our sophomore year.
We became sophisticated, forgetting our fear.
For president EDWIN TOBOLOWSKY was a sure bet;
He served us so well, we shall never forget.
MISS HARRINGTON became our sponsor then;
She proved to be our very best friend.
As II-A president EVELYN FLEMING showed skill,
So this office we let her fill.
And for our sponsor, MISS DAVIDSON, we chose;
She was a grand sponsor, as every one knows.

We threw out our chests, held our heads in the air
When we became juniors . . . we were proud to be there.
STANLEY KAUFMAN seemed to please,
So we elected him president of the III-B's.
For sponsor, we chose MISS DAVIDSON once more,
For we all liked her so well before.
As III-A's we chose our president from
One who would put over our Junior Prom;
So we elected no other than
The great, illustrious DAVID KAPLAN.

And in '36 our dignity arose—
For IV-B president we chose
WAYNE WOODRUFF, that popular senior guy
Who made hearts flutter as he passed by.
For secretary, smart and keen,
We chose MRS. KING'S little girl, PAULINE.
We looked for a sponsor and could find no better,
Than our own MISS DAVIDSON . . . we were glad to get her.
During the term we grew quite rash—
We put over two dances and made lots of cash.
At last, it was here! the day of all days—
We were promoted to the great IV-A's;
We put on airs of sophistication
And walked around in high elation.
For president we needed an all around IV-A,
PAUL LACY proved to be O. K.
WILSON CANADA our vice-president became,
And RUTH FRIEDMAN treasurer we thought we'd name.
The office of secretary we let NELL FERGUSON adorn.
For sponsor we chose MR. LA BORNE.
Now we look forward to Senior Day,
And also to our great Senior Play.
Then on June third we'll graduate
And leave Dear Old Forest, the best school in the state.

—DAVID LOUIS KAPLAN.

CLASS HISTORY—IV-B

Well, here we are full-grown, sophisticated, dignified seniors, after three and a half long years of intolerable, enjoyable suffering. "The first year's the hardest." We were led by such able-bodied students as FRANK HORTON and FREDNA CLACK, ROY CAMPBELL and IOLA CALHOUN, along with the understanding guidance of MISS RUTH CHRISTOPHER.

As sophomores, the world was our own. We kept ROY CAMPBELL and IOLA CALHOUN as officers, and later elected ROSALEE COHN and MARY PEARLE BOWLAND, who served as efficient officers, along with a little counseling from MR. LA BORNE.

With the careful work of officers LLOYD KELLUM and ROSALEE COHN, the first part of our junior year was good, but the second part was a WOW! Along with the other juniors and the help of ANNETTE WHITE and DOROTHY LOONEY, we gave a successful Junior Prom, still upholding the old tradition. The sponsor for that year was friendly MR. LA BORNE.

And now! SENIORS, and the world is our own. With ANNETTE WHITE and ARLINE ABLES, and the amiable MISS PARKER for a sponsor, we've plenty of events in store for us.

—EMILIE KORPIANOCK.

Forreste Seniores

There is in schole with us al the weez
A group, I trow, that thinketh in a deez.
They goon non for to stude hir bookes,
But for to show us al hir good lookes,
Ful swich greet nois they ever maketh herd,
And techers they do think are eek absurd
Whan that they say with smyle and greetest poise
The emptye berel maketh most of noise.
Ful many yeeres they do have to spende,
Befor to graduation they wende,
But stil the hawles hir memry will holde,
Whan that they leeter do becometh olde.

—MILTON RUBIN.

I'd Like to Be a Senior

I'd like to be a SENIOR and stand
With a pen behind my ear and a notebook in my hand.
I wouldn't be an emperor for all that wealth could bring,
I wouldn't be a president, I wouldn't be a king,
I wouldn't be an angel, for angels have to sing, but
I'd like to be a SENIOR and never do a thing.

—BETTY JEAN BEHRENS.

"There's a schooner in the offing,
With her topsails shot with fire,
And my heart has gone aboard her
For the Islands of Desire."

—RICHARD HOVEY.

Battles

Life's pathways are rough and narrow,
There's a thorn with every rose.
There's some sadness with all our tomorrows,
And there are trials where our wandering footsteps go.

There are battles to be fought and won
And not with countries or men,
But with our own revolting, restless souls—
Battles, greater than those written upon the scrolls.

Battles, that also cause sorrow and tears,
That cause to weaken under their cares,
Lasting perhaps throughout the years,
To challenge him who heeds and dares.

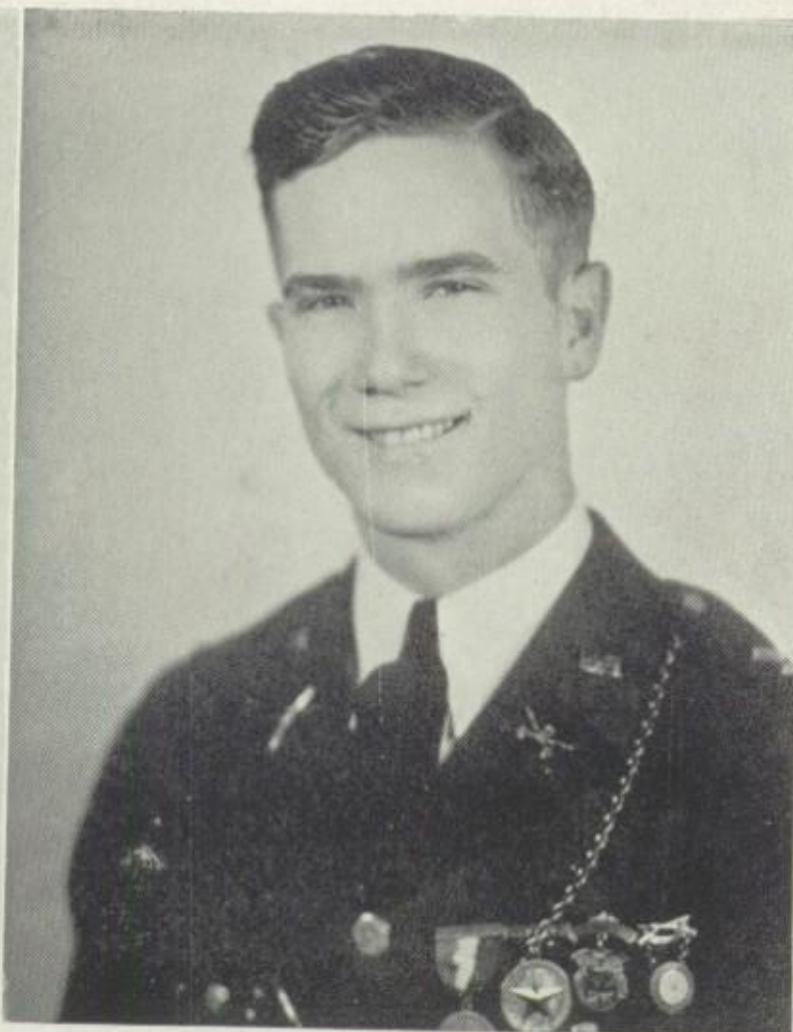

—VIRGINIA JACKSON.

MILITARY

HARRY E. MENEZES
Commandant

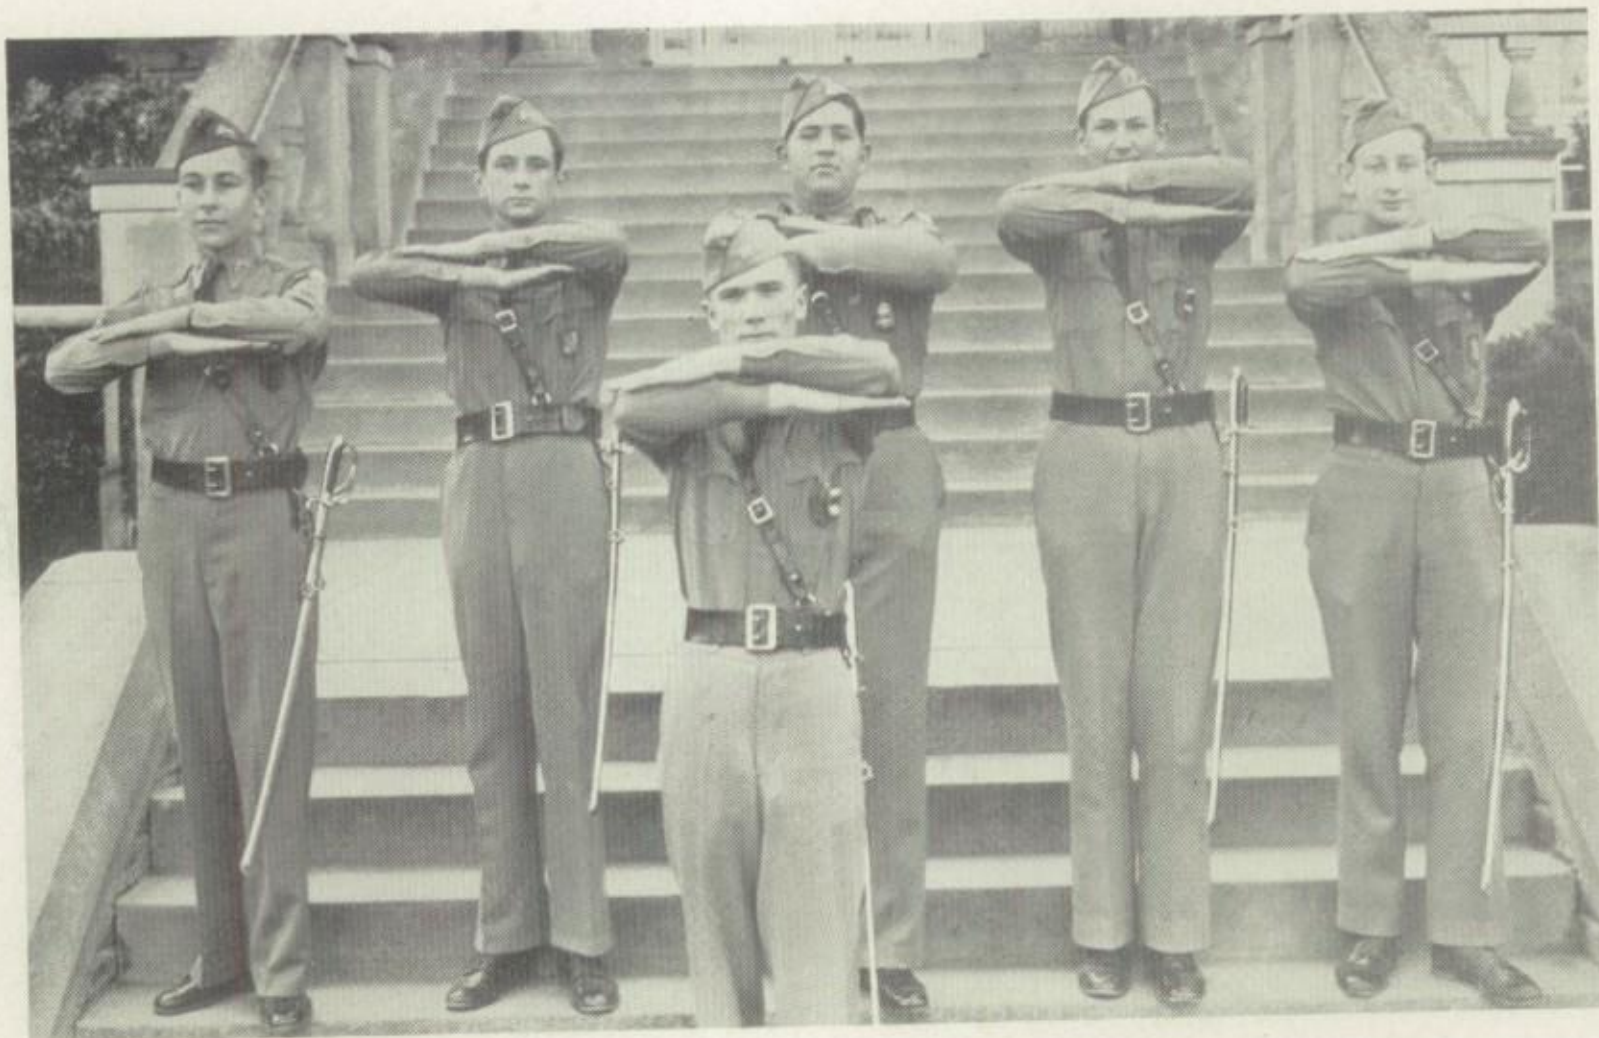

JACK KINCANNON
Lieutenant-Colonel

R. O. T. C.

The Forest Avenue High School Unit of the Reserve Officers Training Corps has accomplished a great deal during the 1936-37 term on account of the guidance and untiring efforts of our commandant, Major Harry E. Menezes, and the leadership and faithful service of our regimental commanders, Cadet Lieutenant-Colonel William Stallcup the first semester, and Cadet Lieutenant-Colonel Jack Kincannon the second semester.

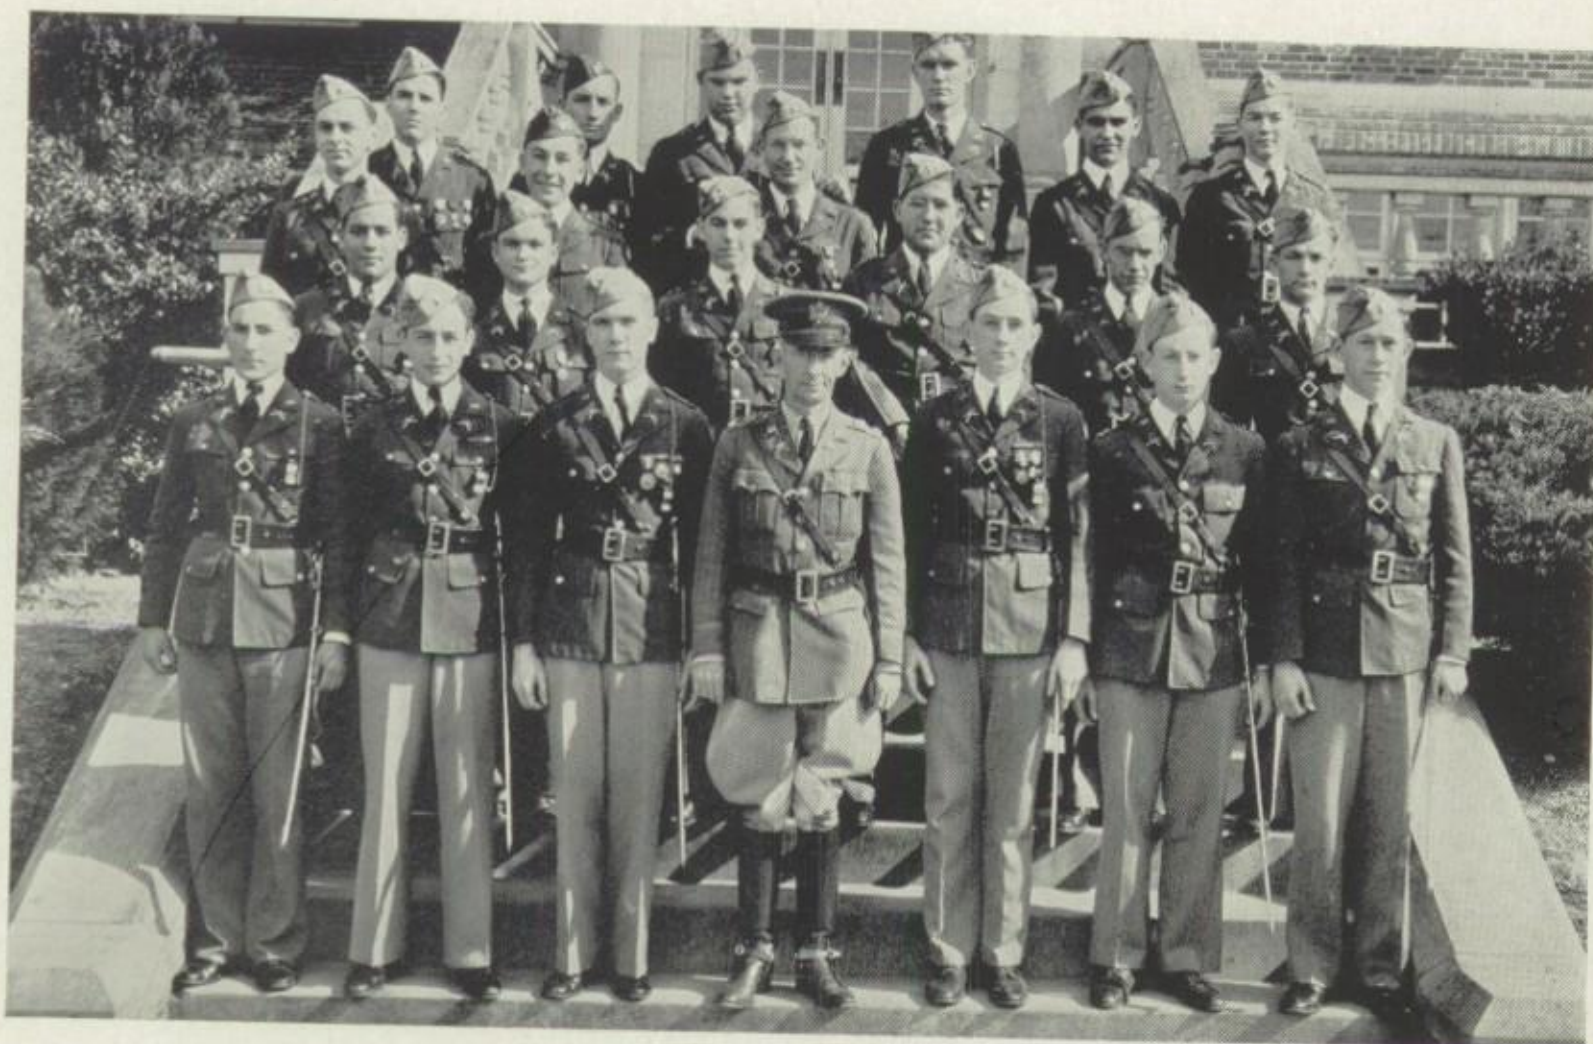

The R. O. T. C. Department has increased steadily in strength until nearly half of the boys of Forest Avenue High School are enrolled in this organization. In the city-wide competition between the military units of each Dallas high school, the Forest Unit shared in the honors. The officers ranked second in the Officers' Test. Desiring to share the burden of securing proper recognition for our corps, the rifle team won the All-City Championship Rifle Match and placed high in others. The Corps also made a very creditable showing in the Fall and Spring Inspections. The Crack Company Drill in May brought to a close another year of competition, in which our cadets were in there doing their best. Forest Cadets, we salute you!

GIRLS PEP SQUAD

The Forest High Pep Squad of '36, led by Etta Mae Weatherly, had forty-nine members, who did their utmost to add to the glory of their school by drilling at the games and by participating in other activities.

The girls performed between the halves at the Woodrow, North Dallas, and Adamson games. At the Mississippi Club Ball, they drilled with all other high schools. On Thanksgiving Day, the Forest Squad, drilling with the other city squads, formed the letter "F" for Forest, and the letter "A" of the word TEXAS. At the All-Star game, played December 19, the girls again made the Forest letter and formed the "A" in the word DALLAS. The girls also marched in the Armistice Day Parade. Kathryn Price acted as associate leader at this event.

All the girls did their part to make the Pep Squad of '36 a good one, and we are looking forward to a bigger and better one for '37. The opportunity for girls to show their loyalty and appreciation to the team lies in membership in the Pep Squad.

FIRST TEAM—First Row, left to right: DeLaughter, Horton, Massengill, Stampley, Denny, Cade, Steer and Phillips. Second Row: Goss, Weber, Dossett, Lawrence, Lewellyn, Sears, Watkins and Rudnick. Third Row: Keeling, Canada, Mitchell, Gillespie, Conner, Sultis, Frauman, Miller, Floyd and Shepard.

FOOTBALL

At the opening of the 1936 football season, six lettermen and a group of small, rather inexperienced men reported to the fold for practice. Under the guidance of Coaches Shepard and Keeling, our boys started with plenty of pep and spirit. After two weeks' training they were clicking together and awaiting their first encounter. During the whole season, despite lack of weight, our team showed plenty of fight and pep.

FOREST, 19—GLADEWATER, 13

In the opening game, the Green and

White boys traveled to Gladewater to battle the strong Gladewater Bears. Our boys got off to a good start, holding the upper hand in the first quarter. In the second quarter our boys made the first tally of the game with a pass from Denny to Messina. Conway carried Denny's pass over in the third; and Messina repeated after taking Denny's pass and lugging the old ball twenty-five yards, making the score 19 to 7. Gladewater rallied in the fourth; but after the gun sounded, the old melee turned out to be a victory for Forest.

SECOND TEAM—First Row, left to right: Taylor, Kellum, Wheeler, Mankovsky, Howe, Slocum, Bush, Ingram, Duckworth, Smith and Green. Second Row: Woodruff, Pribble, Stone, Long, Hranicky, Jones, Simons, DeLaughter, Carpenter, Barr, Lazoros and Sanders. Third Row: Hutchinson, Vann, Hartness, Balthrop, Gillespie, Hook, Tellis, Miltner, Withrow, Clark, Kress, Thomas and Mitchell.

FOOTBALL

FOREST, 7—McKINNEY, 0

Despite constant downpours during the day and a continual drizzle the night of the game, our boys went on the field with determination to bring home another new ball that night. Our Forest Crew began with a bang and kept firing away the whole game. The mettle shown by the Forest team proved too much for the heavier, more experienced warriors. The Green and White lads piled up eleven first downs to the Red and Black invaders' one. The lone count was made when Denny passed into the receptive hands of Messina, who raced to pay-dirt for the score. All in all, much credit is due the team for the fighting spirit and determination shown in this game.

FOREST, 7—GAINESVILLE, 19

This non-conference game, played at Gainesville, was the first set-back of the season for the Forest Lions. The prettily clad boys of Gainesville had an advantage of weight over the Foresters, which was one big handicap to our advancement. The Leopards made their first marker in the beginning of the second period with a pass to J. D. Mitchell. Then, in the third period Mitchell chalked up two more scores for the Leopards; however only one extra point was netted by the Leopards.

Our score was made in the third quarter after a terrific drive, led by Sultis and Denny, which ended in a touchdown.

FOREST, 6—TECH, 59

In the first district game of the season the Green and White Forest Eleven received a drubbing at the hands of a heavier, more seasoned Tech team. The Forest team fought to the bitter end, but Tech's reserve strength and power told the story. Conway's fine line play, coupled with Floyd's line ramming and Canada's brilliant blocking, featured the Forest attack.

FOREST, 0—SUNSET, 13

Before a crowd of 6,500 people, the hard-fighting Lions turned on the heat and played an inspired brand of football to hold the highly touted Sunset eleven to a 13-0 victory. The breaks decided the game, which was plenty close.

FOREST, 13—LONGVIEW, 34

This was our last non-conference, out-of-town game of the season. Our boys played a team that boasted a perfect record of victories, also a team that had not been scored on during the whole season. Although our players did not produce a victory from the game, they started it off by scoring two touchdowns making the score 13-7 for the first half; and, by doing this, they were the first to score on the Loboes. But playing a stronger and heavier team, our boys soon weakened, and twenty-seven more points were made by the Longview Loboes. The score at the end of the game was Forest 13, Longview 34.

FOREST, 7—WOODROW WILSON, 19

Fighting hard to stave off a third city series defeat, Forest's green clad warriors bowed to the triple "W" boys, 19-7. Both Forest and Woodrow played a fine aerial attack. Standouts for Forest were Conway, Lawrence and Gillespie. Lonnie Hill, ace Woodrow wingman, was the star for the Wildcats, scoring two of their three touchdowns.

FOREST, 7—NORTH DALLAS, 6

The Forest Lions raged out of jungle town Friday night, and swamped the crack North Dallas Bulldogs. Although they were the underdogs, the Lions outplayed the North Side eleven throughout the game. The light forward wall literally swept the Orange line off its feet. Lawrence, Goss, Canada and Denny stood out for the Lions. Lewellyn, with his broken hand in a cast, turned in a sterling performance at the guard position. Dallas was singing the praises of this scrappy little team, which had trounced the city champs.

FOREST, 0—ADAMSON, 6

In its annual grudge battle with Adamson, the Forest Lions fought a losing battle; and when the final gun sounded, the scoreboard read Adamson, 6—Forest, 0. The game was marred by frequent fumbles on both sides. The Leopard score came late in the second quarter with Willis going over for the score. The Lions tried in vain to overcome the Cliffites' lead during the second half. Canada, Lawrence, Conway, Messina, Sultis, Watkins, Connor, Rudnick, Phillips, Denny, Massengill and Gillespie played their final game for the Green and White.

THE TEAM

JOE LAWRENCE, TACKLE

Joe could be depended upon to fill capably any position on the line he was called upon to fill. He made the All-City and All-Star Team. Three-year letter-man.

JOHN CONWAY, END

All-Star as well as our own left-end. Played brilliant offensive as well as defensive ball. Two-year letter-man. John could not have played a better defensive game than he did at his end.

VICTOR MESSINA, END

One of the co-captains of the Green and White warriors. A wonderful pass "snatcher" as well as a deadly tackler. Played left-end, and was a two-year letter-man.

ALBERT RUDNICK, TACKLE

Two-year letter-man. Fills a big man's shoes at right tackle. He sat lightly on the bench, ready to go into the game at any minute.

ROBERT CONNER, GUARD

Two-year letter-man. He was a hard-charging guard and an excellent defensive player. He could always be depended upon to do his part, and he surely dealt some misery to his opponents.

DURWOOD PHILLIPS, GUARD

Two-year letter-man. He filled a scrappy, aggressive position; and, although not a regular, he showed plenty of mettle each time he was called upon to perform.

JESSE DENNY, QUARTERBACK

Denny made his first appearance on the Forest team this year and certainly proved a valuable man. He was a brainy field general, and was rated by the local sports writers as an excellent passer.

WILSON CANADA, HALFBACK

He was a good plunger and a constant ground gainer. He was fast to make his own hole in the line. When Wilson got the ball under his arm, you could always count on him for a good gain.

JAMES SULTIS, HALFBACK

At the beginning of the season James filled the fullback position, but after a few games he was changed to a blocking back, and showed up well in his new berth. He was consistent in his tackling, and did most of the kicking for extra points.

JACK MITCHELL, QUARTERBACK

One-year letter-man. Jack, who was an understudy to Jessie Denny, was a brainy and exceedingly elusive quarterback. He was an excellent passer and punter, and will be missed next year.

JOHN PAUL MASSINGILL, HALFBACK

One-year letter-man. Although he played little, he was a fine ball carrier and noted for his ability to pick holes in the opponents' line.

WILLIE MILLER, GUARD

A one-year letter-man. This was Willie's second year on the first squad. Although not a regular, he held down his position as a veteran would.

HUBERT GILLESPIE, CENTER

One-year letter-man. Hubert more than once showed his ability as a heady, aggressive pivot-man. He was the fighting spirit of the team, and will leave a big gap in next year's lineup.

BUFORD STEER, QUARTERBACK

Buford is a promising triple-threater, and great things are expected from him next year. With a little more experience, he will be a heady and dependable signal caller.

NORMAN DELAUGHTER, FULLBACK

One-year letter-man. Norman is another cub who has materialized into first string material. He is a good plunger, hard to stop, and a dangerous threat to the opponents' goal line.

EUGENE CADE, FULLBACK

"Katy" is returning to the folds of "Dear ol' Forest High," and will carry the burden for the coming season. He is the side-stepping type of backfield man.

THE TEAM

ELLSFORD FLOYD, FULLBACK

One-year letter-man. A hard charging fullback, who is Forest's bid for the All-City next year. His line-ramming was a great aid to the Foresters in every game. Floyd will add considerable power to the Green Wave.

FRANK HORTON, FULLBACK

"Toughy" is a promising backfield man for next year. He works hard as anyone on the team, and can really carry out his assignments.

DONALD DOSSETT, TACKLE

Donald will be back next year to uphold the honor of that brilliant line. His weight and power were a great help to the team this year, and will be needed for next year. One-year letter-man.

J. T. LEWELLAN, GUARD

J. T. is remembered by every opponent as that fellow who blocked their charge. He is as tough as they make them and will be fighting next year. One-year letter-man.

HENRY STAMPLEY, GUARD

He was a valuable asset to the team, and we expect to see him "hold that line." He will be back next year as the co-captain of the mighty Green and White eleven.

BUDDY WEBER, CENTER

Buddy was always ready to jump into the middle of the battle. He is a promising snapper-back who will be on hand to get through the interference and get his man.

PHILIP SCHREIBER, FULLBACK

Philip played left half, and was as good a tackler as there was on the team. He was a hard player, and he has another year to show his stuff.

ROLAND GOSS, END

This youth surprised all the critics by his dazzling performances on the field. No school will forget the name of Roland Goss because of his playing in the North Dallas game. He will be back next year to secure his second letter.

ELLIS WATKINS, END

A light-weight who always could be depended upon to play more than his share of the game.

WARREN SEARS, END

Although he did not play much this year, he will be in there blocking and tackling to the best of his ability next year.

MEYER FRAUMAN, CENTER

One-year letter-man. Meyer was a diligent trainer and always appeared on time for practice. He was a capable center and proved worthy of his position as line backer on the defense.

EMANUEL PATERNOSTRO, LEFT END

"Pat" proved to be an able end anytime he went into a game, but because of an extra supply of larger, more experienced wingmen, he didn't participate a great deal.

STANLEY REITER, GUARD

Stanley Reiter, a hefty linesman, showed up nicely at both tackle and guard. He will be back next year.

CECIL REDD, MANAGER

Cecil, as manager of the team, proved to be efficient in the caring of bruises, blisters, lime burns, and such. We expect him back next year as one of the team, instead of manager.

First Row: Horton, Schreiber, Goss, Watkins, Sears, Haney.
 Second Row: Culibrk, Achilles, Conner, Weber, McKnight, Mitchell, Ray.
 Third Row: Hutchinson, Keeling.

BASKETBALL

FIRST HALF

After winning nearly all of their pre-season games, the Forest Lions opened the 1937 basketball season. Three lettermen, Phillip Shreiber, Robert Conner and Captain Ellis Watkins, and many other promising Keeling proteges answered the call to arms.

FOREST, 23—ADAMSON, 25

The Forest Lions lost their first game of the 1937 city series to the Leopards from Adamson High School. It was a nip-and-tuck battle from the beginning to the end, and an overtime period was required to decide the victor. Jack Mitchell was high-point man for Forest, making eight points.

The Forest Second Team lost to the Adamson Cubs, 23 to 17.

FOREST, 19—SUNSET, 18

The "Green and White" came through with their first victory out of two starts in a thrilling game with the Sunset Bisons. The Forest club showed its superiority throughout the first half, but the Bisons came from behind in the third period to furnish the winners stiff opposition. Broyles was high-point man for Forest with eleven points.

The Forest Cubs defeated the Sunset Second Team by the score of 21 to 19.

FOREST, 10—TECHNICAL, 32

The highly favored Technical High School Wolves found it harder than they expected to beat the fighting Lions. After a fairly even first half, the Wolves hit the basket repeatedly to cop the victory. Out-

standing play and high-point honors for the Forest quint went to Captain Ellis Watkins.

Squaring matters up for the day, the Forest Cubs defeated the Technical Second Team, 19 to 10.

FOREST, 18—WOODROW WILSON, 45

The Lions suffered their third defeat of the season in the hands of the Woodrow Wilson Wildcats. The triple "W" club led in scoring throughout the game, but found it hard going during the first two periods. For the home club, Watkins led the scorers, earning nine points.

The Forest Cubs eked out a victory over the Kittens, 20 to 19.

FOREST, 13—NORTH DALLAS, 28

The Forest "Greenies" held the North Dallas Bulldogs to a two point lead, as the half ended 8 to 6. In the closing periods, Wilbur Keith, star forward of the Bulldogs, hit the basket repeatedly, winning for his team the victory. Schreiber on the defense and Watkins on the offense played brilliantly for Forest.

By beating the Puppies, 12 to 10, the Forest Second Team tied with Woodrow Wilson for the first half championship.

SECOND HALF

FOREST, 9—ADAMSON, 25

The Forest Lions opened the second half with the Adamson Leopards. These bitter rivals fought hard for four quarters, but when the final whistle was blown the score favored the Leopards.

The Adamson Kittens defeated the Cubs, 17 to 31.

FOREST, 24—WOODROW WILSON, 35

The Forest club invaded the Woodrow Wilson gymnasium eager for a victory, but were disappointed. Watkins and Goss, with six points each, were the Lions' high-point men.

The Woodrow Seconds defeated our Seconds by a score of 25 to 9.

FOREST, 25—NORTH DALLAS, 19

Playing the Bulldogs on the Forest court, the Lion quint turned aside their losing streak. At the end of the first half, North Dallas had made only three points against the fourteen for our team. Schreiber loomed as the best scorer of the day with eleven points to his credit.

The Forest Cubs turned back the "Hot-dogs," 22 to 18.

FOREST, 27—SUNSET, 14

For the second time in the season, Forest defeated the Sunset Bisons. The teamwork of the Lions and the goal shooting of Sears and Goss stood out as highlights.

The Forest Cubs nosed out the Sunset Seconds, 15 to 14.

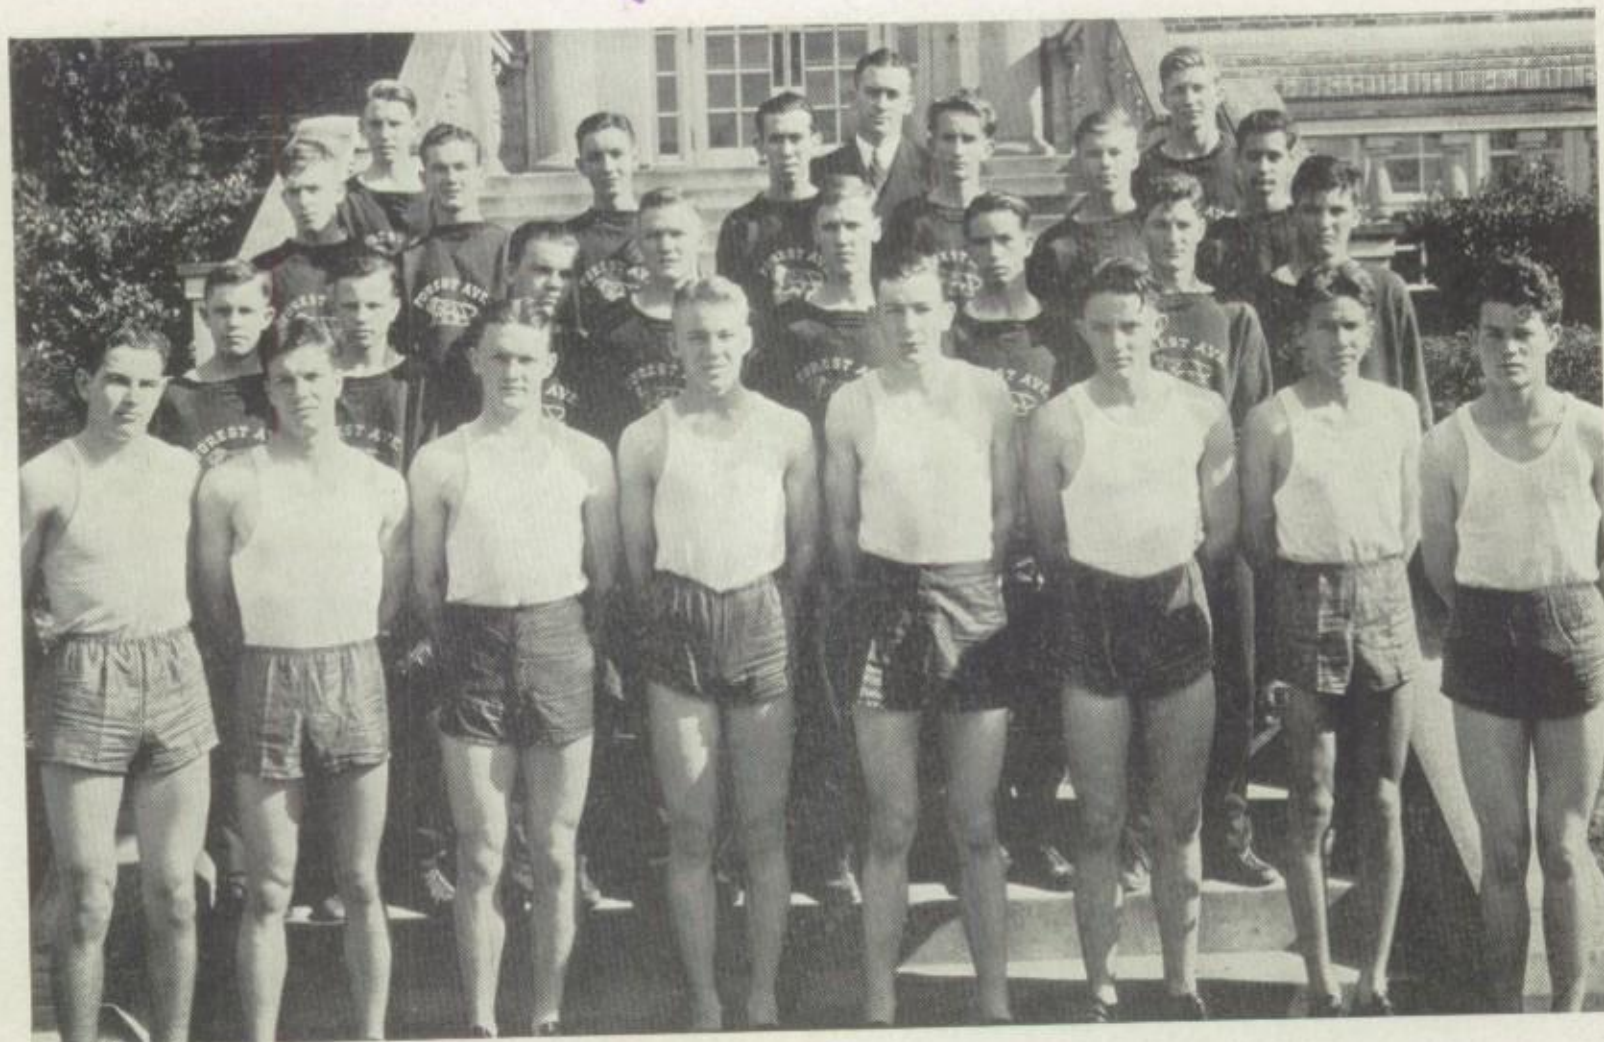

FOREST, 26—TECHNICAL, 31

The Tech Wolf pack encountered a team—Forest Lions by name—that was determined and eager for a victory. The tussle ended in favor of Technical, and was packed full of thrills and spills. Goss and Schreiber led the Lions with ten and eight points respectively.

Ending the 1937 series in the right way, the Forest Second Team defeated the Technical Whelps, 15 to 10.

First Row, left to right: Gillespie, Reed, Goss, Crim, Watkins, Sears, Duckworth, Mitchell.
Second Row, left to right: Jones, Culibrk, Slocum, Carpenter, Simmons, Melton, Pribble, Thomas.
Third Row, left to right: Stone, Blank, Napier, Brown, Vita, Lilliebridge, Burns.
Fourth Row, left to right: King, Keeling, Schreiber.

TRACK

This year Coaches Seldon Hutchinson and W. H. Keeling, with no lettermen, have a track team composed of six veterans and over twenty aspirants, consisting of Earl Burns, Glen Carpenter, J. J. Crimm, Steve Culibrk, Earnest Duckworth, Ben Ford, Hubert Gillespie, Roland Goss, Alton Milton, Herman Mitchell, Lloyd Napier, Norman Pribble, Cecil Redd, Philip Schreiber, Warren Sears, Horace Simmons, Curtis Slocum, Harvey Thomas, Julius Viti, Ellis Watkins, Sam King, and Alfred Jones.

In the early meets Goss has proved to be a promising jumper. The relay team, composed of Redd, Schreiber, Watkins, and Goss, are showing great speed on the cinder paths. The entire team is giving all it has in order to win the events in which it is entered.

First Row, left to right: Frank Singer, John Paul Massengill, Eugene Levin, J. A. Boulton (coach).
 Second Row, left to right: Fannie Rosenbloom, Sarah Rudnick, Lucille Segrist (coach), Margaret Harlan.
 Third Row, left to right: George Jones, J. D. Moore, Johnie Overturf, Dean Stepter, Roger Erickson, Joe Wiley (coach).
 Wilson Canada, doubles player, isn't in the picture.

TENNIS

Handicapped by lack of letter-men, the Forest Tennis Team has fared well so far. The Forest team beat Sunset 3-1. Massingill and Canada defeated the Sunset doubles 6-2, 6-3. Eugene Levin, Forest, lost 3-6, 6-4, 6-4. Both girls' teams won. Forest kept up the winning streak by defeating Adamson 3-1. Frank Singer won the singles 6-2, 6-2. Massingill and Canada won 6-0, 6-1. Margaret Harlan, girls' singles, easily won 6-0, 6-0. The girls' doubles lost 4-6, 7-5, 8-6. Forest suffered its first defeat at the hands of North Dallas 4-0. Singer lost 6-4, 3-6, 8-6. The doubles team lost 6-2, 7-5. The girls' doubles was also defeated. Margaret Harlan lost to the North Dallas girls' singles player. Forest started its winning again by defeating Tech 3-1. Singer lost 6-4, 7-5. Massingill and Canada won 7-5, 6-1. Both girls' teams won. The last match of the year, with Woodrow Wilson, ended in a tie, 2-2. This gave Forest third place in the city.

The team consists of Frank Singer, boys' singles; Wilson Canada and John Paul Massengill, captain and letter-man, boys' doubles; Margaret Harlan, girls' singles, and Fannie Rosenbloom and Sarah Rudnick, girls' doubles.

GOLF

Candidates for the Forest Avenue High School golf team are the following men: George Jones, J. D. Moore, Donald Finkelstein, John Mosher, and Roger Erickson. Although none of the candidates are letter-men, J. D. Moore and George Jones are veterans of last year's team. The coach of the team is Joe Wiley.

Our team has shown up well, so far, in their matches. Their first match, which was with Adamson, resulted in a victory for them, the score being Forest 5½, Adamson 2½. In their match with North Dallas, the score was Forest 5½, North Dallas 2½. The winning of this match placed Forest in second place with Woodrow Wilson.

First Row, left to right: Charles Jones, Tommy Davis, J. T. Lewellan, Herbert Frank, Henry Stampley, Weldon Saunders.

Second Row, left to right: Frank Horton, Jesse Denny, J. L. Haney, James Adair, Robert Hickman, Buford Steer.

Third Row, left to right: Harry Cobbel, Sam Colletti, Edward Carter, Leonard Perlstein, Coach Shepard.

BASEBALL

The Baseball Squad for 1937 began the season with five letter-men and a group of interested and willing aspirants who showed plenty of eagerness to get into some tough competition.

FOREST, 5—NORTH DALLAS, 2

Behind the steady pitching of Adair, the Forest Lions successfully opened their 1937 baseball season with a 5 to 2 victory over the North Dallas Bulldogs. The Forest team as a whole played a jam-up defensive and offensive game.

FOREST, 8—ADAMSON, 9

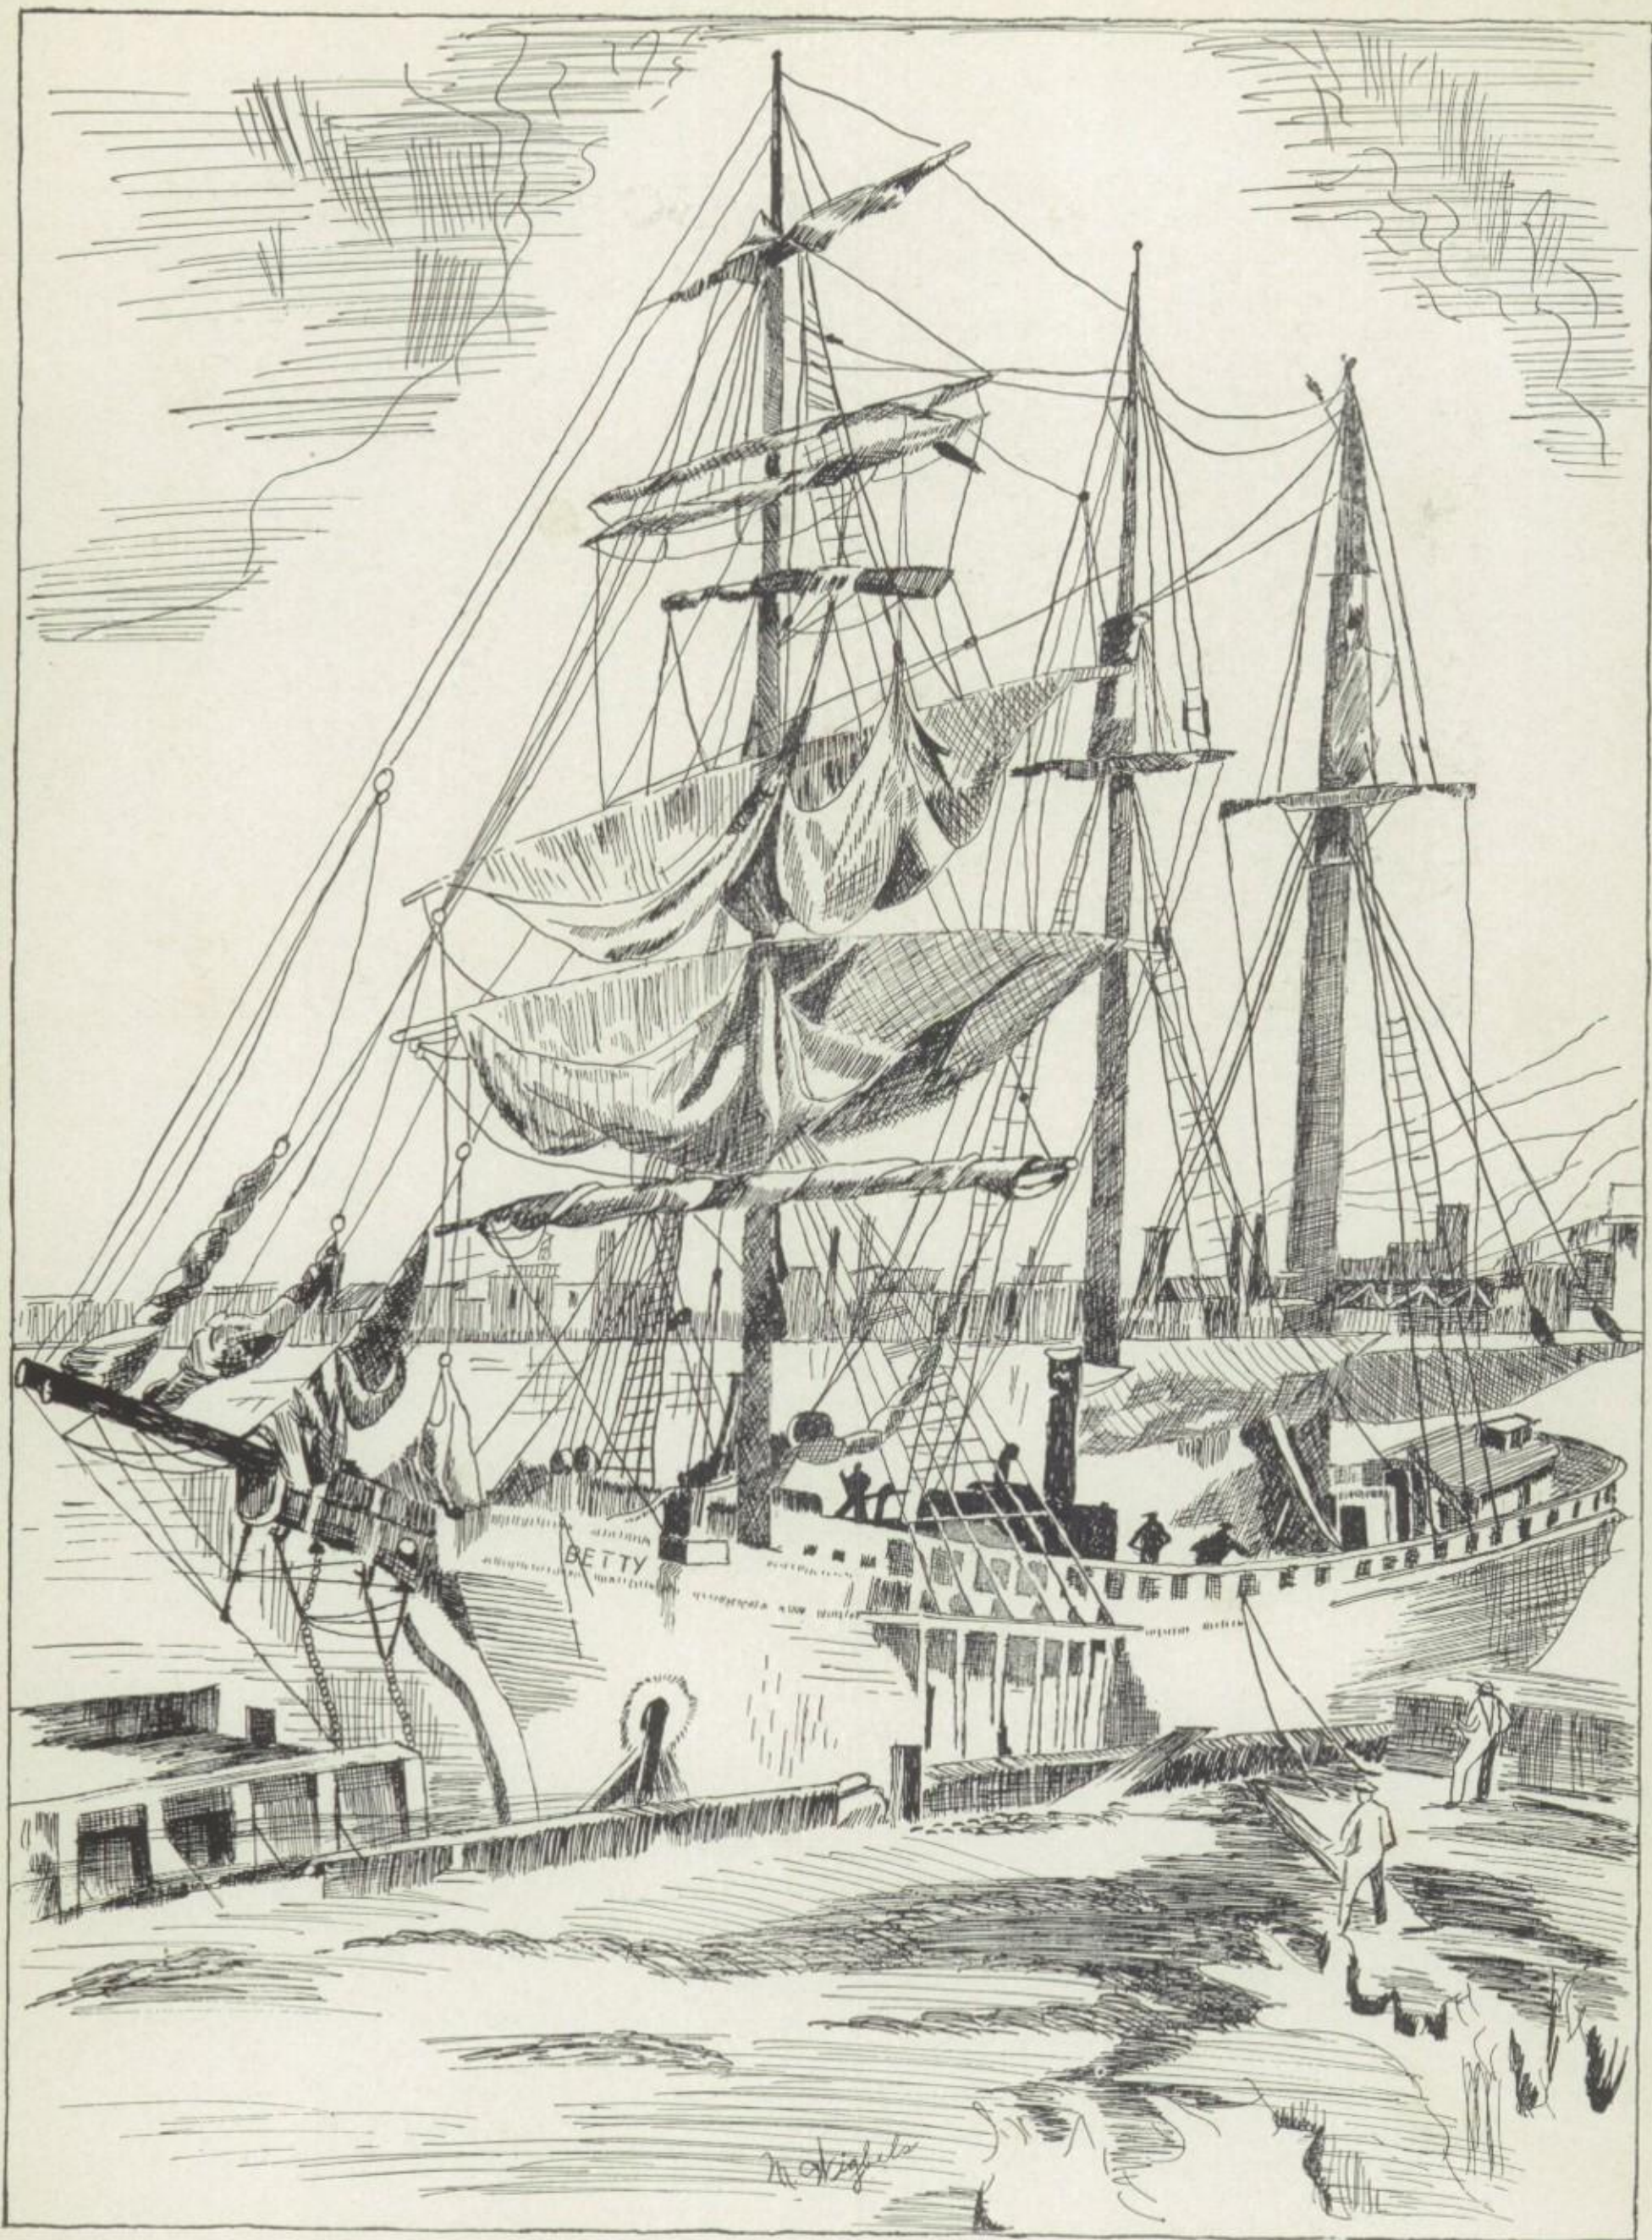

The encounter with Adamson proved that the Foresters could hold their own with the best, even if the game didn't prove to be a win. The game was very erratic, a toss-up all the way through. It was evenly matched, but the Leopards finally downed the Lions 9 to 8.

FOREST, 4—WOODROW WILSON, 5

The fighting Lions gave the highly-touted Woodrow Wilson Wildcats a stiff fight. Sohle, Woodrow Wilson ace pitcher, allowed the Lions only four hits, but the Lions made all of the hits count. The Lions' attack was led by the stickwork of DeLaughter. The score was Forest 4, Woodrow Wilson 5.

FOREST, 3—TECHNICAL, 6

Both the Lions and the Wolves played a bang up game. Keele and Williamson, the Tech pitchers, baffled the Lions with their speedballs, but the Lions made 3 runs. The Lion attack was led by the batting of Haney and McLaren.

The purpose of the Girls Public Speaking Club is to give to the members a good knowledge of parliamentary law, to help them acquire the art of speech by using good diction, to bring together the girls of the school by presenting them with an opportunity to form friendships, and to value the friendship of others.

Bernice Cohn and Mildred Shaw are on the debating team this year, while other members are entering the declamation contest.

Even though there has been no outstanding achievement, the individual members have been benefited by observing parliamentary law and various activities in public speaking. In an assembly program the club presented Miss Pauline Wright, director of the Teen Age Theater, in review of the play "Pride and Prejudice."

The Standard Debating Society is one of the pioneer organizations of Forest Avenue High School. It has always been a leader among the other organizations in this school. It has as its aims better public speaking in all forms and genuine school spirit in everything it undertakes.

The Standard is composed wholly of boys and is conducted under parliamentary law. It is always guided in the right direction by our able and worthy sponsor, Miss Edna Rowe, assisted by Mr. Goodman.

It is the custom of the Society to have each year a banquet, at which are gathered most of the alumni of the Standard. At the present the Standard is trying out for certain contests in speaking in a state-wide contest.

The Forest Forum was organized in March, 1933, by nine charter members. The purpose of the organization is to promote discussions of questions of public interest in government and economics. Members are given topics to report on; these reports are followed by round-table discussions.

The club has been active in school affairs. It has made numerous donations of books, maps, and pictures to the school. In March, 1936, the club sponsored three night Open Forums on timely Texas topics. The members do not neglect the social side of their club. Annual social events are the Christmas party, the spring banquet, and the spring picnic.

Still striving for the definite aims to promote the study of history and to raise the standards of citizenship in our school, the Aelta Historical Society carries on.

Starting the year off, we sponsored an assembly in commemoration of Armistice Day with Major Joe M. Hill.

During November we also celebrated our fifth birthday with a birthday cake with all the trimmings. An original poem which recounted the activities of the club was dedicated to the club by Celia Pickoff.

The "ole Xmas" spirit was kept by presenting to the club a historical play called "Town Hall." The leading roles were played by Weldon Combs, Eleanore Spangler, Dorothy Ball, Chester Achilles, and Wilson Canada.

As the old year rang in the new, we lost many outstanding members by graduation. Elizabeth Braun was given the honor of being the most efficient member who was graduating.

An assembly was sponsored by the club in the celebration of George Washington's birthday. We had as guest speakers Mr. D. A. Frank and Mr. Austin Weir, noted lawyers of Dallas.

The High Scholarship Club is an organization for the students of the school who have fulfilled the qualifications for a Linz Award.

Interesting programs and enjoyable entertainment are presented every second and fourth Thursday of each month during a school term, as has been the custom since the club was established in 1921.

The aim of the High Scholarship Club is to make students realize the advantages they can derive from striving for the honors of high scholarship and proper spirit in their school. Under the leadership of Miss Foote, our sponsor, we hope to continue in the future as we have in the past.

The Latin students of Forest organized the Auditores Caesaris in 1920 for the purpose of studying Roman plays, Roman religion, Latin games, and other subjects that give broader ideas of Roman people and their value to the world.

Among the activities of the Auditores Caesaris was a program given in the auditorium, consisting of a Roman Circus in which a boat race, archery contest, foot race, and boxing match were featured. The club had its annual banquet at the Y.W.C.A., the last week of April.

The Pan American Student Forum meets the first and third Tuesdays of each month. The Forest group carries out the object of the Forum, which stresses the solidarity of the Americas, by presenting at least once a month a study program on the different countries of the Americas.

The Forest Unit attends the all-city meetings of the Chapter almost one hundred per cent and has won three cups for the best attendance during ten years. It is leading again this year.

The outstanding achievement of the Dallas Chapter this year was the dramatization of the Peace Conference held in Buenos Aires in December, 1936. The Forest Unit presented the scene with Secretary Hull about the neutrality pact, the most outstanding single project of the conference.

The big event of the year will be the Third National Convention to be held in the Forest Avenue High School Auditorium, June 12 to 15, 1937. Secretary Hull and Dr. L. L. Rowe of the Pan American Union are expected to be speakers. More than seven hundred delegates are expected to attend from the forty-one chapters of the Forum.

Girl Reserves are junior members of the Young Women's Christian Association, and the object of the Girl Reserves Movement is in direct accordance with the purpose of this association. It endeavors to give girls, through normal, natural activities, the habits, knowledge, and the ideals which will make them capable and responsible women.

The program is three-fold, as represented by the blue and white triangle, the symbol of the Y.W.C.A. The base of the triangle is spirit; its two sides are knowledge and health. The activities of the organization are designed to make the girls physically fit, and mentally and morally sound.

The Girl Reserves have performed their usual services this year, serving as guards in the girls' restroom, and giving Thanksgiving and Christmas baskets to the needy of Dallas.

Parties welcoming the freshmen girls to the school were given by the Girl Reserves, and a party for new pupils in the school was given by the Girl Reserves and the Hi-Y boys of Forest. In addition, the Girl Reserves have had part in the monthly inter-city Girl Reserves' luncheons sponsored by the Y.W.C.A., at one of which, the October meeting, the Forest girls served as hostesses.

The Hi-Y Clubs are promoted by the Young Men's Christian Association and are affiliated with the State and National Hi-Y Movement.

The purpose of the club is to create, maintain, and extend throughout the school and community, high standards of Christian character. The membership in the club, because of its high ideals, is limited and selective. It is not the purpose just to have a large membership; the quality of its membership is the important thing.

The slogan is Clean Living, Clean Speech, Clean Athletics, and Clean Scholarship.

The orchestra of Forest Avenue High School has grown much since the last year, as many freshmen have entered. The grammar schools are now sending well prepared people to take part in our musical activities.

Miss Louise Wilcox, our most able director, has taught us much about the fundamentals and the playing of music. She has encouraged us and has urged us on when we have become discouraged with our music. She has made us enjoy and appreciate good music more and more.

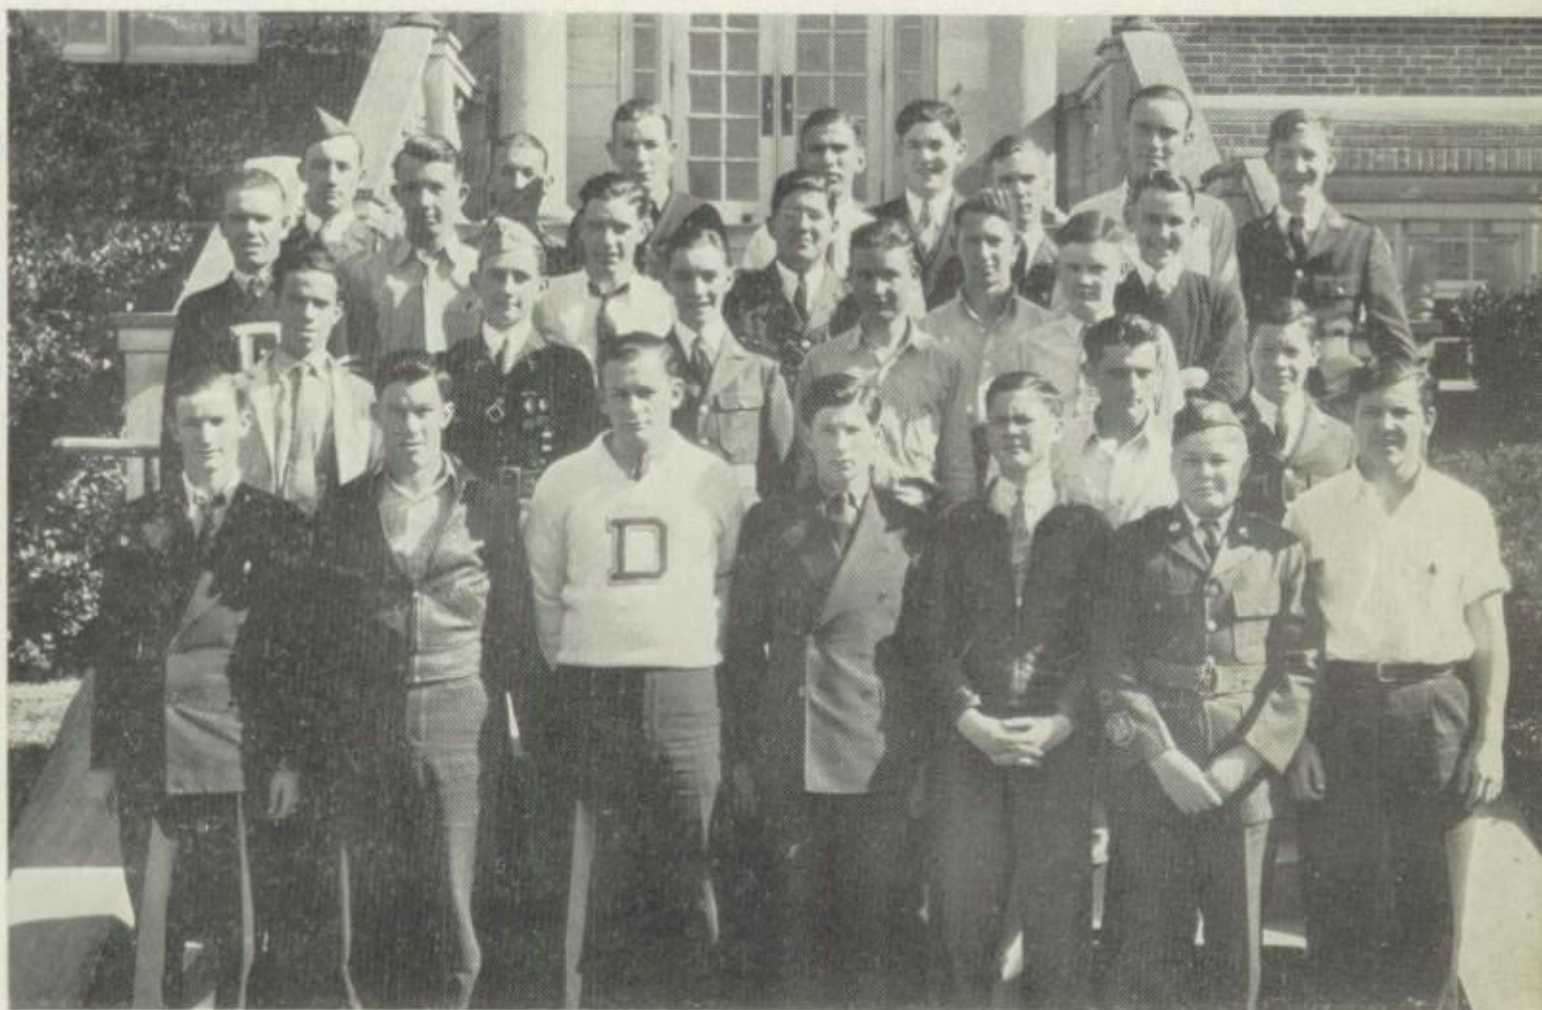

The orchestra has worked hard and accomplished much. We have played for the following things:

The Daughters of the Republic Conference.
The Christmas Cantata and Program.
The January and the June Senior Plays.
The January and the June Commencements.
The Washington's Birthday Assembly, sponsored by the Aelta Historical Society.
The Texas Week Assemblies.
The North Texas State Teachers' Association.
The Teacher's Retirement Act Community Meeting.
The Open Forum.
An Assembly in October.
The Reception honoring Mr. Parker.

BOYS HOME ECONOMICS CLASS

MISS WILLIE MAE BERRY

Sponsor

This class was first organized in 1934. The founders were Pink Murphy and Howard Baldwin. The class was started at the suggestion of the boys of Forest. One hundred boys were signers of the petition; but since only thirty boys were allowed to enroll, the class was opened to senior boys only.

The present class is the largest ever enrolled and the only one of its kind in the city. These boys have enrolled in this class in all seriousness, and a wholesome spirit of purpose is noticeable.

Contrary to the general belief that the boys are in the class merely for a good time, these boys study many phases of home-making other than making candy and pies. The first six weeks of this course is the study of etiquette. Everything is studied in home economics from table etiquette to correct dancing posture.

The second six weeks of this course is devoted to cooking. During this period of time, the boys study the human body and its need of proper nutrition.

The third six weeks of this class is devoted to the selection of clothes, family relationships, and the care and arrangement of furniture.

Miss Willie Mae Berry is the capable instructor of this boys class. By her tireless efforts and her keen interest in the class she has won for herself the admiration of the boys.

It is the opinion of every boy who has studied Home Economics that it should be compulsory in the Dallas High Schools. This would be a step toward creating better boy students and finer homes for the future.

No honor conferred by the school excels that represented by the National Honor Society. Election into this society gives recognition to those who have attained high honors in scholarship, leadership, character, and service. Only students who rank in the upper fourth of their class in scholarship are eligible to be considered as candidates. Five per cent of the students in the III-A class, ten per cent of the IV-B class, and fifteen per cent of the IV-A class are taken into the National Honor Society. An assembly is held each term initiating the candidates. The emblem of the society is the keystone and the flaming torch. The keystone symbolizes the high ideals of the society, while the flaming torch is the emblem of purpose. The members of the National Honor Society endeavor to lead so that others may follow in the light, and to keep burning in Forest Avenue High School a high ambition for the enduring values of life. The faculty honors students for the attainments they have made during their high school career by electing them into this society.

THRIFT CLUB

MR. J. T. KENNINGTON, Sponsor

Foresters are proud of their present banking system, which ranks high among the Dallas high schools. This system, which is similar to that of a real bank, was introduced into Forest Avenue High a year ago by Mr. Wylie A. Parker.

On September 22, 1936, there were only three hundred and eighty-eight depositors, but on March 29, 1937, the number had increased to eight hundred and forty-two—a gain of four hundred and forty-five ledger cards, which is due to this practical method of banking. The number of bank depositors on a single day has increased from one hundred and eighteen to four hundred and forty-five. In January of 1936, before our present system was instituted, we had an average of ninety-two depositors on each Tuesday, but now we have an average of four hundred.

The purpose of the Forest Allied Arts Club is to make art more real to its members. Membership is open not only to students enrolled in the Art Department, but also to any Forest High student who is keenly interested in art. FEATURES

Texas State Bird

You see him on the pole-tops,
A high and mighty king,
A clever looking fellow
Who always likes to sing.

He can tweet like a sparrow,
He can scold like a jay,
He can imitate a cardinal,
And he does it every day.

Once when I was hiking
Along a country lane,
I thought I heard a robin,
But it was only he who sang.

A very lovely song-bird,
Singing songs so sweet,
While perching on a fence post,
Looking very neat.

He sings a song each morning,
A whistle it might be,
But whatever tune he carries,
It's beautiful to me.

At night and in the morning
His sweet voice is heard,
He is the bird of Texas—
Yes, a lovely MOCKING-BIRD.

—H. G. CARPENTER.

"There is a memory stays upon old ships,
A weightless cargo in the musty hold—
Of bright lagoons and prow-caressing lips,
Of stormy midnights—and a tale untold."

TEXAS WEEK

Monday

Texas Week, which was originated by our principal, Mr. Parker, in 1931, was opened in our school Monday by the Texas History Club. Ethel Golman, president, was in charge of the program. After the salutes to the flags were given, the president gave a speech on the purposes and achievements of the club. The orchestra, under the direction of Miss Wilcox, played a medley of southern songs. Evelyn Wasserman introduced the main speaker, Mayor George Sergeant, who gave an interesting and educational talk on "The History of Texas." After Mayor Sergeant's speech, the audience sang "The Eyes of Texas" and "Texas, Our Texas." The presentation of books to the Texas Memorial Library followed and the initial program for Texas Week of 1937 was brought to a close.

Wednesday

The second program of Texas Week was sponsored by The Daughters of the Republic of Texas. Mrs. Fred Schenkenberg took charge and introduced the other guests who were seated on the platform. She then presented seventeen volumes on THE LIBRARY OF SOUTHERN LITERATURE to the Texas Memorial Library.

Thursday

The third program of Texas Week was sponsored by the Forest unit of The Pan American Student Forum. Sarah Rudnick, president, was in charge. An explanation of the Pan American Student Forum was given by Walter Moseley. The program consisted of a skit, "My America," written and directed by Herbert Lambert; a Spanish dance by Margaret Housman; and a song in Spanish by John Cook, accompanied by Mary Ruth Kissinger. The first part of the program was closed with the members of the Unit singing "Oh Noble Pan America," accompanied by the orchestra and Lois Burkeley.

The second part of the program was closed by a speech, "What is Texas?" by Mr. D. A. Frank, a prominent attorney of Dallas.

Thursday Evening

The Forest P. T. A. entertained guests with a program and reception at the school, honoring our principal, Mr. Wylie A. Parker. Governor Allred, who was unable to attend, sent a telegram to Mrs. Schackman commending Mr. Parker on his splendid work on Texas Week. Mrs. Maurice Schackman, president of the P. T. A., presented Mr. Parker with a desk set. Miss Louise Wilcox then directed the school orchestra, the Glee Club, Marjorie Freeland, and Phillip Weinkrantz in a program. The principal speaker, Dr. David Lefkowitz, was introduced by Mrs. A. H. Jacobs.

—SYLVIA SILBERMAN.

A Ship

I love to see a ship go sailing
Across the clear blue sea;
Tho' I know it's bound for ports afar,
It will come back to me.
I love to see its graceful form
Go gliding over the deep,
To see it rock gently over the waves
While I my vigil keep.
I think my life is like a ship
Which goes out on a stream,
Over the waves and tumult
Of this life's earthly dream.

—WILMA WHARTON.

My Ship

I love to go sailing
Sailing on the sea,
In a beautiful ship
A ship so gay and free.
Far out at sea the ship will be
With our flags waving high;
I love to see a ship
With our flags in the sky.
I love to see a ship
Rocking on the sea,
It always seems to call,
"Come and sail with me!"

JUNE, '37 PROPHECY

(The Broadcast of the Tenth Anniversary of the June, '37, Senior Class of Forest Avenue High School)

Good morning, everyone! Your station is BLAH. May we remind you, that in order to make the day brighter, try Putnam's "Feel Like a Million" Pills. Dr. Leslie Putnam and his assistant, Sam Danner, after a few years of experimentation, have the best pills on the market for that "worn out feeling."

Emanuel Smith's Superb Soups now bring you odds and ends from Noah A. Carson's Column of Sports. News comes to us from England that for the tenth successive time Helen Hansen has beaten all opponents in swimming across the English Channel. Robert Carp, her manager, announces that her next feat is to swim the Panama Canal. Edwin Tobolowsky claims that his horse "Slocum" will win the Kentucky Derby, but Stanley Malowitz says his entry "Pocum" won't give the others a chance. Confidentially, we understand that Ervin Green, Tobolowsky's jockey, and Malowitz's jockey, David Kaplan, have a little private war all their own. So the race should prove to be exciting. Word has been received from California that John Hicks and Hubert Gillespie have been appointed coaches of the American Olympic Track Team. In the Tennis World Betty Jean Behrens and Lucille Hopper defeated their opponents for the Women's Doubles Championship. John Paul Massengill, former Tennis Champion, has now turned pro. As possible Apple Bowl opponents this fall, Jack Mitchell's team at Purcell and Victor Messina's at Ramsey should be given special attention. Eugene Mullenix and James Sultis have just renewed their contracts with the New York Yankees. Chester Achilles' Arcade of Athletes is sponsoring an Ice Skating Contest. Among the contestants are Ruth Richman, Jane Driscoll, J. J. Crimm, and Ellis Watkins. This concludes our sports broadcast for today. You sport fans may gain vim, vigor, and vitality by eating Smith's Superb Soups.

Now friends, I have here a resume of today's programs. Dorothy Ball, better known to her fans as "The Sing Lady" will be heard at the usual hour with Frances Small at the organ. Her guest today is that famous and well-known star of the stage, Dan'L Hollon. Incidentally, Miss Hollon is now appearing in Sam Clasbey's latest play, "North Meets South." At 11:30 Sammy Gilford, professor of English, will be heard. The professor has just invented a new figure of speech which he calls the Gilformy. On Brodnax's (Harry) Baking Powder Program, Edith Keys will give her delicious recipe for Apple Pie. The Dramatic hour will originate at 4:00 P. M. with Dorothy Weinkrantz as the new director. Bill Latimer and Ethel Golman have the leading roles. At 7:00 Preston Ray's Rhymetic Ramblers will be heard with Esther Muir, that well-known songstress, vocalizing. The comedy team of Wyll (Nathan) and Watelski (Stacy) will be heard on their first program under their new sponsor, Gibson's Gelatin. Miss Bessie Lee Gibson will be on hand to welcome the two comedians.

Attention Ladies! ! ! ! Renee's Beauty Shoppe has reopened under new management. Dorothy Boedecker, the new proprietor, and Kathryn Millican, manager, want the public to know that Mlle. Sibyl Meazell has just returned from Paris, where she attended a hairdressers' convention, and will be at Renee's for one week beginning tomorrow.

New Flashes from here, there, and everywhere with late news, exclusive news, and odd news! The dance team of Franco and LaPaul, better known to their friends as Frances Novin and Paul Lacy are now being featured at Edward Carter's Club '37. Dr. David Aronofsky's Dallas Philharmonic Symphony Orchestra with Mayer Goren as concert master are bandstorming throughout these United States. In two more weeks Jean McKinney, singer on Henry Schlenger's Wholesale Grocery Hour, will board a train for Hollywood. Dorothy Clarke will step into Jean's place. Bert Cook, movie scout, says Mildred Foster also has great possibilities for becoming a star. He should

know, for he discovered Wayne Woodruff, who is one of the most popular men in America today, and whose picture may be found in any well known magazine. Another of his discoveries is that popular young star, Sylvia Silberman. Wilson Canada's latest Tarzan picture has just been released, and his leading lady is none other than Pauline King. By the way, Robert Conner and Sam Barnett are the highest paid stunt pilots in movieland today.

After the show, though your finances may be low, eat at Margaret Decker's Grill where you get the best food for your dough. All Margaret's pastries and breads come from Dorothy Black's Bakery.

Joe Willson and Rhelda Walters are trapeze artists in the James Medford-Raymond Spross Circus, which is touring Europe this year. Arthur Stutts, one of the best known lion tamers in the United States, and Dorothy Lyle Brown, the snake charmer, are also with this inimitable circus. Derwood Cockrell and Edwin Morris are barkers for Evelyn McCallum's Midgets. John McKinney's Magic Show is coming to town! His able assistant is Margaret Sevier.

Robert Firnberg and the Mrs. (Bessie Coleman) are regular visitors at the popular night spots, showing their friends how to shuffle off the newest dance steps. Jack Caruth, manager of the Palace, announces that Celia Pickoff and her violin will be featured this week. The Dixie Trio, otherwise known as Helen Whittfield, Doris Kelly, and Lucille Richardson, are enjoying great success over the ether waves.

If you like to dance, but are unable to, go to the Birdie Wolfgang Dance Studio. She is ably assisted by Helen Fischl.

Loraine Dagnal and Evelyn Fleming sailed yesterday for the Spanish Peace Conference in Panama. They recently collaborated on a book titled *Quien Sabe?*, published by Jesse Matthews Publishing Company. Olga Falcetti, a Dallas artist, illustrated this famous book. Archie Pennington, chairman of the Nation Peace Committee, has awarded Peace Prizes to Kathryn Wilson and Carolyn Stroheker and also to Agnes Ballard and Era Grace Bond for their eternal friendship throughout the years.

Sallie Bebee's Book Shop advertises that Julia Biesel's book "Accounting in Ten Lessons" is now on the market.

Ruby Hurst and Josephine Woodside have joined the ranks. They're among the best known G-Women in the United States. Sarah Rudnick was recently appointed as Chief of the G-Women. Arthur Stern has received an appointment as Ambassador of Goodwill at Large. To those interested, Scott De Lee's streamlined, turret-topped, combination dictionary and encyclopedia will be on the market soon. Julie Ann Cannon, the first woman justice, has appointed Lillian Stevens court reporter. Adalie Margules is retiring as a professional artist to become the Ambassador to France. Lorraine Pittman's Puppets gave a command performance for the King of Borshok. The King's "yes" man is Arthur Searcy.

Say it with posies. Get your flowers at Doris Spicer's Flower Mart.

Life's just a bowl of cherries for William Kay. He was the holder of the winning ticket of the Irish Sweep Stakes. He has engaged Lloyd Napier for his new body guard and Evelyn Wasserman for his secretary. Roy McCormack, a typist great, has added Grace Summer, Evelyn Gates, and Mildred Ashley to the faculty of McCormack's Business College. Tommie D. James and Leola Mae Houck are fighting it out for the Women's Golf Championship of Texas.

Richard Hancock, the weatherman, predicted snow today. Although it is sunny and very pleasant, we must remember that we all make mistakes.

THE COVER ON THIS BOOK WAS PRODUCED IN THIS PLANT

Our old school pal, Jack Kincannon of U. S. A., is still that way about a certain person. Jack must be waiting for another Leap Year. The Poston sisters, Cora and Nora, have met twin boys and are happily married. Magdalene Bickerstaff and Margie Tydeman say professional careers for women are all right, but they prefer their role of housewives.

Mary Kennedy and Mary Polson have a new scientific discovery. They are now able to explain the baffling mystery as to where flies go in December. Martha High and her exploration party have left on another expedition to Guatamala. Two famous explorers, Ruth Brooks and Willie Rae Anderson, are among the members of this party. Ivan Saddler, Martha's ace cameraman, took along his new picture taking contraption which takes and develops pictures at the push of a button. Lawrence Pilkington is a second Burbank; he has taken the straw out of the strawberry. Lois Cherry has a very rare job, that of a coffee taster. Doris Linn and Ruth Rutenberg, well-known architects of this city, have been contracted to make plans for the new Forest Avenue Athletic Field. It seems that the dream boat of our dear old Alma Mater has come in.

Juanita Brown and Thelma Grant's new fashion magazine "Dress Designs" is enjoying great popularity. Adele Friedlander is Fashion Editor. Bessie Jo Hand and Estelle Bennett are two of the leading designers for the magazine. Kathryn Goodman and Freida Streicher recently celebrated their fifth anniversary on the opening of their Hat Shoppe. Virginia Jackson and Ruth Ann Hunter are two of their ablest saleswomen. A certain Russian countess, the former Marie Mankovsky, is having the interior decorating of her mansion done by Louise Langley.

The world's champion typist is Nathan Gruber. Frank Singer's Advertising Corporation expects to enlarge its offices soon, because business is so good. "It Pays to Advertise," so say Frank and Clarence Mims, the vice-president of the firm. Nell Ferguson holds the position of Frank's secretary. The all-girl law firm Shalette (Sylvia), Coleman (Zelda), and Schneider (Sylvia) are quite successful in that field. Cecil Ray Fullen has just bought a half interest in the Fuller Brush Company. Cecil's main ambition now is to take the "r" out of Fuller and substitute an "n." Here's a daisy to Norman Sommerville, for he has just been appointed advisory aide to the President. Billy Wilensky and Robert Murdoch are owners of a large newspaper syndicate, and have the contract of that ace reporter, Adeline Price. The Pay Quick Insurance Company has awarded Lawrence Murdoch a trophy for his incomparable service.

Louise Pulis is the dean of Etta Mae Weatherly's School for Girls. The professor of biology at this select Girls' School is none other than Frances Whitaker. After completing a tour of the United States lecturing on the "Habits of the Butterfly," Ruth Friedman will sail for England. She will be accompanied by another noted authority on butterflies, Gertrude Utay.

Dr. Samuel Gilbert is the head doctor out at Riverside Hospital, where Martha Ferrell and Violet Ligon are nurses. Dr. Christine Walters will not be able to preside at the American Association of Dentist Convention. She has asked Dr. Ethel Lee Gaddis, to take her place. Dr. Gaddis is the well-known painless tooth-extractor.

Mildred Scripture's Soap Factory is doing a rushing business. It seems that Mayor Dona Belle Wilson have effected a new clean-up campaign. Our two senators in Congress are none other than Doris Strickland and Bernice Moncrief. Nancy Renner's Riding Academy caters only to the best people. Imogene Wheeler is the demure little riding instructor. Eugene Biesel has held the honored position of town crier of Mesquite for four years now.

This is Station BLAH signing off, to the June, '37, Class we wish you luck and lots of it.

Your announcers have been Stanley Kaufman and Vallora Tempel.

Boo Hoo!

Boo-hoo,
We hate to leave this school,
But now our time has come, and we must say adieu to you.

Boo-hoo,
We liked our four years with you,
And we shall always hold dear
This school, which always brought good cheer.

You gave us an education,
You helped us choose a vocation,

Boo-hoo,
That's why we hate to leave you,
Some day you'll feel like we do
And you'll regret leaving it, too.
